

Amy's Story

It's such a hot day today...

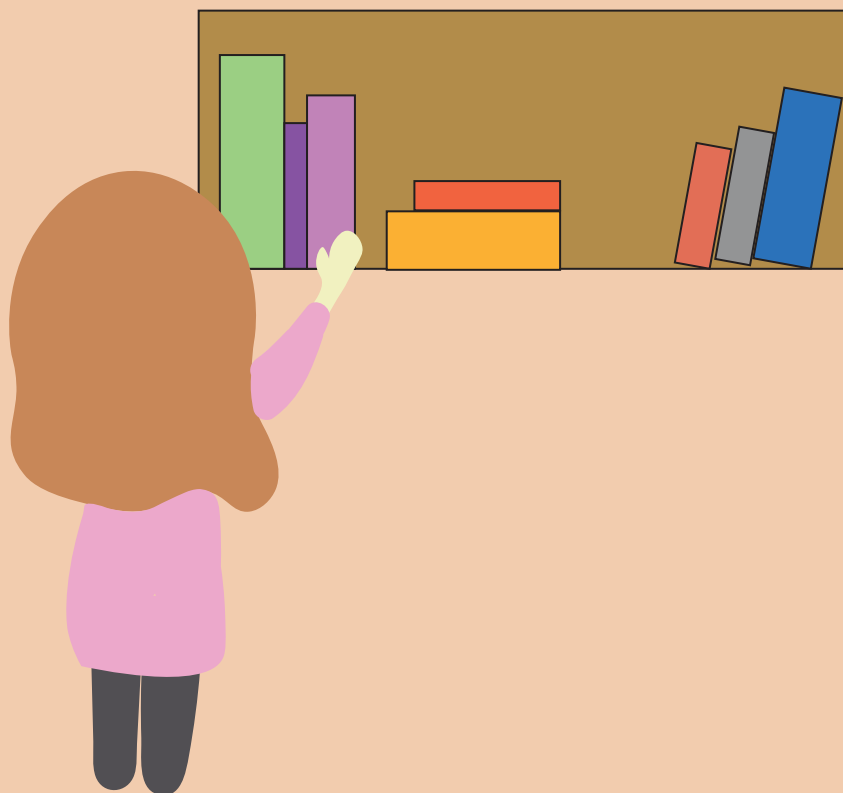

But Amy has an idea!

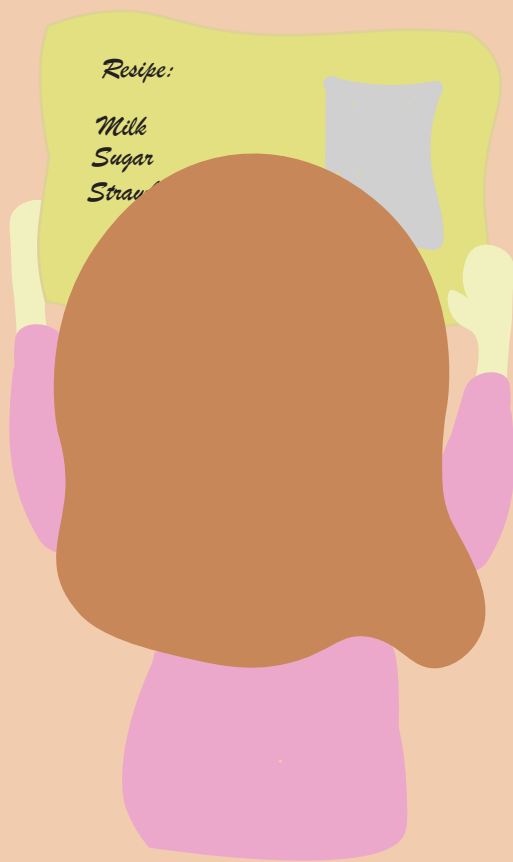

She knows where to look for a cool idea!

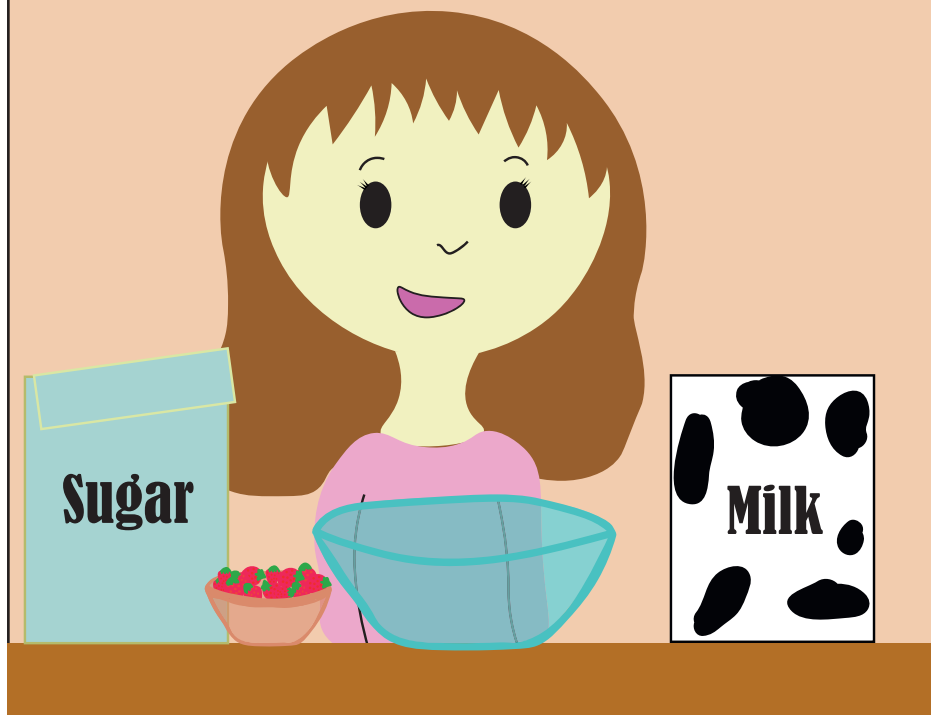

Let's see...

She picks up her favorite cooking book,
knowing it holds the perfect recipe for
today and starts to read.

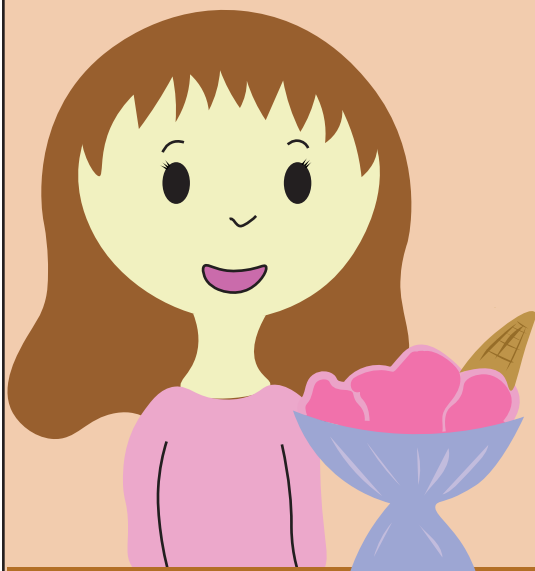

With all the ingredients laid
out, she gets to work.

Finally, she made a strawberry ice cream
which will help her in hot summer days.

She is really excited!

She was so thrilled with her perfect ice cream that she decided to share it with everyone.

With a smile on her face, she opened her very own ice cream market to let others enjoy her delicious creation.

The end.
